

Welcome Back to The Center!

We have enjoyed seeing some of you back at The Center since in-person programming returned in August. We want to share some of the changes with those of you who have not been back. If you have not seen it for yourself, give us a call to sign up for a program or to arrange a visit! (Sign-up is required. Drop-ins not permitted.)

While we were closed, we were busy renovating, reorganizing and redecorating. Thanks to a state energy grant, the building has an all new HVAC system to keep it cool in the summer along with new windows. We also have a new roof, siding, lighting, furnishings and more. We are thankful to have had many helping hands in the process, who have helped make it all possible with over 100 hours of work. Thank you, volunteers, we could not have done it without you! We urge all our participants, volunteers, and supporters to come see it for themselves!
